Description

High speed broadband designed with the professional working from home in mind. Is also suitable for anyone requiring high-speed, low-cost, Internet access - ideal for first time Broadband users or those with a clear idea about their average monthly usage.

For those homeworkers requiring a little more bandwidth Teleworker Plus is ideal with 30Gb of inclusive data download each month. Also suits the small office for browsing the internet and receiving email up to 5 users.

Suitable for up to 9 users in the small office environment this high speed professional service is ideal for businesses who require maximum bandwidth when downloading files and accessing the web at an affordable price.

Ideal for the larger office environment or businesses requiring higher upload speeds for access to business applications like video conferencing.

Care

Enhanced Care Options	ADSL or SDSL ?	Monthly Price	Product Code
ADSL Enhanced Care	ADSL	£10.00	BB-ADSL-ENH
SDSL Enhanced Care	SDSL	£35.00	BB-SDSL-ENH

*Broadband is described as 'up to' 8Mb because download speeds will vary depending on your telephone line and location. Download speeds will vary significantly in the first 10 days after connection and then will become more consistent. All routers are preconfigured to provide 'plug and play' access for users. All prices are effective 1 June 2008 and are subject to change.
